3. A total of 33 Units are added to the Condominium by this Eighth Amendment.
4. Article VI of the Master Deed is amended and restated as follows;

ARTICLE VI

CONDOMINIUM UNIT DESCRIPTION, AND PERCENTAGE OF VALUE

The Condominium consists of 438 Units, in each case inclusive, Units 4, 5, 6, 8 through 28, 30 through 38, 40, 42 through 98, 102 through 144, 148 through 279 and 332 through 503. Each Unit is described in this paragraph with reference to the Condominium Subdivision Plan attached hereto as Exhibit B. Each Unit shall include all that space contained within the Unit boundaries as shown on the Plan and delineated with heavy outlines. For all purposes, individual Units may hereafter be defined and described by reference to this Master Deed and the individual number assigned to the Unit in the Plan. The Percentage of Value assigned to each Unit is set forth below and shall be determinative of the proportionate share of each respective Co-owner in the proceeds and expenses of the Association and the value of such Co-owner's vote at meetings of the Association and the undivided interest of the Co-owner in the Common Elements. The total percentage value of the Condominium is 100%. Each Unit's Percentage of Value shall be equal and shall be the number obtained by dividing 100 by the number of Units included in the Condominium. The method and formula used by Developer to determine the foregoing percentages was to determine that the expenses incurred by the Association in connection with the various Units should be equal.

5. Article II of the Master Deed, which describes the land comprising the Condominium, is amended in its entirety as follows:
