RE: **Golf Carts, Mopeds, Electric Bikes**

Dear Cherry Hill Village Resident:

While the vast majority of Cherry Hill Village residents are very considerate of their neighbors, this communication is simply intended to remind all CHV I and CHV II residents, that there are state laws regarding the use of golf carts, mopeds, and electric bikes.

The Association has received multiple complaints of golf carts and electric bikes, mainly on the streets, sidewalks, and utility walking paths (also underage drivers).

We ask if you are operating a golf cart, moped or electric bikes in Cherry Hill Village that you please review the attached link (below) to Michigan State Legislation, regarding the use of these vehicles.

Canton Township Police Department has informed us that they mirror and enforce the Michigan State laws for the vehicles mentioned above.

As there is no mention of the use of these vehicles in the CHVHA Bylaws for the Association to enforce, the Association is encouraging Cherry Hill Village residents to please contact the **Canton Township Police Department** to register a complaint, if you believe there is a violation. The non-emergency number is **734-394-5400**.

We appreciate your assistance with these matters.

Thank you for your cooperation,
