

CHV Business District Dialogue

December Edition

Development Updates

Town Square

Public Parking

Pavilion @ Preservation Park

Preservation Park - Excavation, base for pavilion, parking lot, dumpster enclosure, and lighting prep is complete. Shed construction will begin soon. Expected completion Spring 2025.

The Factory building - Concrete demo, excavation, prep for water/sewer, and 2nd-floor demo for wood preservation is complete. Exterior improvements include building/safety light and parking lot/sidewalks. Expected completion Summer 2025.

Public Parking - Demo, concrete sidewalks/edging, and enhanced lighting will be done through March. In Spring 2025, asphalt will be installed. Parking lot will be complete before Town Square development.

Town Square - Excavation of water feature and bid construction will be complete by end of year. Expected work on landscaping buffer, bridge, walking paths, restroom, sculpture hill, and construction throughout 2025.

What's New

Christmas in the Village event that was held on December 7th had record-breaking attendance! Festival attendees enjoyed kids' crafts, an artisan market, visits with Santa, IKEA warming lodge, live music, and much more! Another great community event for Cherry Hill Village and the greater Canton community!

Hazel Coffee will be hibernating through the winter but will be back in action at the Village Arts Factory come April! They will still be available to book for private events during this time off. [Follow](#) them on IG to stay up to date!

Canton Runners Club will still be meeting at the Village Arts Factory for Friday runs at 6:30 am and at the Canton Public Library on Sundays at 7:30 am. Please follow their FB page [here](#) to stay up to date with all the club's activities!

Greenland Market and Saj Bakery are thrilled to be joining the Cherry Hill Village community. The complex will also include the following businesses: Shibam Coffee, Jana's Fresh Eats, Ali's, Mediterranean Pizza, and Cinnabon!
