The 1st Cherry Hill Village Donation Drive was a great success! Thank you to all the businesses who participated, those who donated, and a big thanks to **Cherry Hill United Methodist Church** for taking the lead on this collaboration! Here are pictures of all the items collected!

Cherry Hill Potters Guild celebrated the holidays with successful in-studio sales. They welcomed increased foot traffic as steady streams of customers arrived to admire and purchase pottery pieces ranging from fine art to gift-worthy mugs and bowls, all hand crafted and special. In addition, their classes have been full with a waiting list each session and we have enjoyed having community members come in to play in clay for special events. They thank the Cherry Hill community for their support and enthusiasm for our work.
