# CHV Business District Dialogue

## March Edition

### Development Updates

**The Factory** - Construction continues indoors. The primary focus has been getting plumbing and electricity throughout the building and installing lower level floors.

**Town Square** - Bids are under review, and we anticipate awarding the construction project soon. We expect work to begin in Spring.

**Preservation Park** - Work has begun on the Pavillion at Preservation Park. The kit has been delivered and peices are being sorted prior to assembly. The cement pillars have been poured that will hold the main pillars for the pavillioin.

**Parking Lot at 50527 Cherry Hill** - As a reminder, construction for 50527 Cherry Hill Parking Lot, weather pending, will begin in March and should run to mid-May. Anglin Construction will be expanding the existing public lot off Independence St. and incorporating sidewalks to connect to the adjacent pathways. The Cherry Hill frontage will remain open for future development. Per Canton Township Ordinance, construction is allowed daily Monday-Saturday 7 am-7 pm. Once the official start date is determined, we will let the community know. At that time, residents and business personnel who use the current parking lot will need to relocate vehicles to another public lot; the closest is around Cherry Hill School.

**You can learn more about all of these projects [here](#).**

### What's New

The Adaptive Mini Golf Course will be back at the Village Arts Factory! We are currently looking for individuals, community groups, or businesses to apply to participate. Let your creativity run wild and build a hole that embraces who you are or what your organization is about! Nine individuals/groups will be selected to participate. Those selected will be reimbursed up to \$250 for materials and supplies. A public vote will determine the best hole design. The winning design will receive a grand prize of \$750!

# ADAPTIVE MINI GOLF COURSE

## CREATE YOUR OWN HOLE CONTEST!

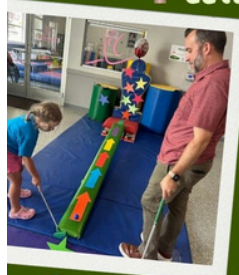

Join us for a truly unique mini golf experience at the Village Arts Factory! We are inviting the public to build their own mini golf hole that can be placed inside the Village Arts Factory as part of a 9-hole course. We are encouraging interested individuals, community groups, or businesses to apply to participate. Let your creativity run wild and build a hole that embraces who you are or what your organization is about! The more unique, the better! Nine individuals/groups will be selected to participate. Those selected will be reimbursed up to \$250 for materials and supplies. A public vote will determine the best hole design. The winning design will receive a Grand Prize of \$750!

**APPLICATIONS DUE APRIL 1**

**HOLE COMPLETION BY JUNE 16**

**WINNER ANNOUNCEMENT JULY 30**

**WINNER RECEIVES \$750**
