

## Village News and Notes

### SPRINGTIME GREETINGS!

Hope everyone has had a good start to all those spring projects! I think we're trending on the plus side of the sunshine, so good luck everyone! If you need some quick info on happenings around The Village, or need a copy of any HOA documents or forms, please sign in to [mychv.com](http://mychv.com) and take a look around. We have updated the website to include all the "favorites" you may need. If you see something we could add, just let us know! We are happy to take questions, suggestions and comments for anything that is on your mind. Please let us know! We appreciate knowing your concerns. Just email [asktheboard@mychv.com](mailto:asktheboard@mychv.com)

### CONDOS

✓ Spring is a great time to check out the A/C before the season is all in! Be sure to clean the condensate tube to avoid water damage from blockage, especially in upper units. Check out the [CHV II A/C & Hot Water Heater Memo](#) for cleaning instructions found in HOA Board Communications on [mychv.com](http://mychv.com). Log in or create your account today!

✓ With seasonal rains already upon us, you may need to make sure your sump pump is working properly or if replacement is necessary. If you don't remember when you installed a new one, now would be a good time to check!

### WALKING AROUND THE VILLAGE

✓ What a great neighborhood we live in with lots of room to roam! Enjoy your surroundings! And don't forget Fido likes to stroll as well! Just be sure Fido is on a leash per Canton ordinance. ALL dogs should be leashed and under your control when walking. Plus, don't forget those pooper scooper bags when duty calls! Thanks for being a good dog owner and cleaning up after your pet.
